Wine Tasting Events 2008

During November & December we are organising some wine tastings so that you can try some of the fantastic wines that we import from **carefully selected small volume producers in France.**

We would be delighted if you could manage to get along to one of the wine tastings - your family and friends will be most welcome too.

Please let me know by e-mail: contact@hourlierwines.co.uk which of our tastings you would like to come along to and it would be helpful if you could give me an approximate arrival time and the number of people in your party.
